Our Goal for 2026: Transportation

In 2026 the funds raised through the Spirit of Cosmo Breakfast Gala will support accessible transportation for Cosmo participants.

Safe, reliable transportation is essential to independence, inclusion, and opportunity. Each day, transportation ensures individuals can attend programs, participate in community activities, and maintain employment.

Your support will help us maintain and acquire additional transportation to ensure comfort, dignity, and reliability for the individuals we support.

Transportation is more than a ride. It's access. It's connection. It's opportunity.

Join us in keeping our community moving forward.
